COME ADVENTURE
SASKATCHEWAN

REAL
ADVENTURE
AWAITS . . .

Disconnect from stresses and strains of life and reconnect at Thompson's Resort.

Enjoy abundant fishing while experiencing the beauty of the Northern Saskatchewan wilderness. Visit spots where history was both made and retold by our Indigenous ancestors while spotting for wildlife such as black bears, moose, bald eagles, beavers and more!

Adventures await for everyone - from serious anglers to families and groups, there's excitement for all.

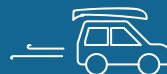

DRIVE IN
DESTINATION

Thompson's Resort, located a short 45 minute drive North of La Ronge in the settlement of Missinipe, SK, is open for adventure year round and offers flights to nearby locations departing right from our main dock.

Spend the day fishing Otter Lake or take a short flight to explore remote lakes with walleye, northern pike, and a select few with excellent trout and grayling fishing at our outpost camps. Take time to enjoy nature and discover the region's historical past.

Our cabins can accommodate singles, doubles and all the way up to group of 24 people. We would be happy to help you choose the right one for your stay so you feel right at home. Cell coverage is excellent in Missinipe, and wifi is available.

Thompson's Resort is a place for the whole family to enjoy the great Saskatchewan outdoors in both summer and winter!

Enjoy summer on the lake by renting an 18ft Lund with or without a guide, canoes, kayaks, stand-up paddleboards, or our 22ft pontoons! Summer activities for the whole family include fishing our angler paradise, scenic nature views on hiking trails, delicious berry picking, swimming and lounging on the public beach, and playing on the playground.

Experience the northern Saskatchewan landscape from above with our Nistowiak Falls flight tours, a three hour tour of Otter Lake, or just relax at the end of the day with a leisurely scenic evening lake tour on one of our pontoon boats! We have a full service, licensed restaurant on-site open from May long weekend to September 15th. The Churchill River Trading Post is also on-site and available for groceries, gas, tackle, and any forgotten items.

Did we mention we are open during the winter? We love hosting guests during the frosty season. Come up and enjoy outdoor activities like cross country skiing, tobogganing, bonfires, skating, northern lights viewing, or enjoy a sled tour into Nistowiak Falls and the surrounding area for the truly adventurous!

Rent our snowshoes, snowmobiles, or ice fishing kits (shack, buddy heater, seats, rods and basic tackle) for a day in the snow and sunshine.
